

SOUTHWEST CHAPTER

Wisconsin Society of Professional Engineers

PRESIDENT'S MESSAGE

JUNE 2007

Greetings,

Our Southwest Chapter will not be having a May meeting. We have found that some companies are cutting back on giving tours of their facilities or presentations on their products. Next year we will work on trying to avoid meeting cancellations.

I attended our state WSPE Discovery Conference, hosted by our Waukesha Chapter. Our Waukesha chapter did a great job hosting the conference. Our Southwest Chapter is scheduled to host the 2008 Discovery Conference. In the coming months, we will make our decision on hosting the 2008 Discovery Conference. Should we decide to take on the challenge, we will need volunteers to help with the conference planning. Please contact any board member if you are interested. Finally, it's time again for our chapter elections. We need another Vice President nominee. Please consider serving.

As this is our last newsletter, I'm wishing our members a very good summer.

David C. McDermid, P.E.

President of WSPE SW Chapter
