PRESIDENT'S MESSAGE

MARCH 2007

We had a good turnout and a nice February joint meeting with ASCE at Fitzgerald's in Middleton. We had a very nice dinner and presentation by UW-Madison's Engineer's without Borders.

This month's meeting at EPIC Systems has been canceled. We have noticed that some companies have been cutting back on tours of their facilities. Next month will be our 2007 WSPE Discovery Conference on Thursday, April 19. Please read the brochure included with our newsletter or go to our WSPE website (www.wspe.org).

I would like to welcome some of our newest members to WSPE/NSPE, John Kustka, PE, and Philip Van Styn, PE. Please feel free to give us (board members or any member) a call. I am looking forward seeing you at our meetings.

David C. McDermid, P.E.
