## Wisconsin Society of Professional Engineers

### PRESIDENT'S MESSAGE

MAY 2006

I find it hard to believe that this is our last newsletter of the year. It just seems like it was September 2005. I guess time flies when you are having fun. I would like to thank everyone who helped this year with our chapter meetings and events. Without the help of our volunteers, WSPE events would not happen.

This month's meeting is at Madison Concrete Pipe. We will be having a lunchtime tour of their new plant facilities. I apologize for the 10:30 a.m. start of our meeting, but if we want to see their plant in production, this was the best time for us to go.

Just a reminder, we will be having a chapter meeting in July to plan our next year's schedule. If you are interested, please give any board member or me a call.

We still need volunteers to help on our chapter board. We need a couple of vice presidents and chapter committee persons. Please give me a call or talk to any chapter broad member if you are interested.

I hope that you can take some time out of your busy schedule and make it to our May meeting. As always, I am looking forward to seeing you.

David C. McDermid, P.E.

President of WSPE SW Chapter
